

## Equal Opportunities

Are overall ethos is **'all individuals are valued and differences are celebrated.'**

We will strive to ensure that children, irrespective of ethnicity, culture or religion, family background, learning difficulties or disabilities, gender or ability will have the opportunity to experience a challenging and enjoyable programme of learning and development.

We will ensure that we provide a safe and caring environment, free from discrimination, for everyone in our community including children with additional needs.

Our aim is:

- Help all feel they belong.
- Respect all
- Challenge racist and discriminatory remarks, attitudes and behaviour from the children and any adults on club premises (including collecting adults)
- Help children feel good about themselves and others by celebrating the differences which make us all unique individuals.
